georgegloyens.com

An ambitious, capable student who is able to adapt comfortably to different situations. Takes responsibility in managing his own personal development, and enjoys working with groups of people.

EDUCATION

Exeter University

2015-2019

BA Business & Management with Advanced Proficiency in French

Cranleigh School

2013-2015

A-Levels: English (A*), Maths (B), Physics (B)

AS-Levels: Design and Technology (B)

Royal Grammar School, Guildford

2008-2013

GCSEs: 10 including 8 A*s and 3 As

EXPERIENCE

Lourdes Pilgrimage Helper

2012-2014

Provided daily assistance to ill and disabled pilgrims, ensuring a high standard of care in hot weather and busy environments.

Mullard Space Science Laboratory

2014

Managed a team designing a hypothetical astronomical mission, and presented it to a panel of industry experts. Ranked first out of all participant teams.

Cranleigh-Zambia Partnership Volunteer

2014

Carried out construction and decoration projects at Kawama School in Zambia. Performed capably in a time-pressured environment.

Bar Staff: The Seahorse, Shalford

2016

Provided timely and reliable customer service in the fast-paced, demanding environment of a popular bar/restaurant.

Graphic Design

2017

Produced design and illustration projects for individual clients and personal use. Designed and deployed a portfolio website through self-taught HTML and CSS knowledge.

Exeter Grand Challenges

2018

Led a team in producing a website and other learning materials in order to raise awareness of the dangers of sugar. Created and designed the website (georgegloyens.com/sugarrush), and presented the project to judges and peers upon completion.
